

Schedule set for the Northern European Football League

The International Federation of American Football is delighted to announce the launch of the 2017 European Club Championship – **the NEFL**.

Representing Great Britain are the reigning BritBowl Champions, the **London Warriors**.

For the Warriors, led by legendary Head Coach **Tony Allen**, this will be their first foray into a European club championship although they have previously taken part in the Battle for Tirol.

Alongside the London club in the NEFL are some of Europe's powerhouse club sides. The 7-time champions of Sweden, **Carlstad Crusaders** are joined by their Finnish counterparts, the **Helsinki Roosters**, fellow Swedish side the **Uppsala 86ers** and Denmark's **Copenhagen Towers**.

The league structure sees the five teams split into two groups.
